**Subject: New Streaming Platform Allows for Future Enhancements**

## **WORKING TO INCREASE ACCESSIBILITY**

NEW STREAMING PLATFORM WILL ALLOW FOR INCREASED ACCESSIBILITY IN THE FUTURE.  
FOR BOARD OF COMMISSIONERS MEETING AGENDAS AND STREAMING INFORMATION VISIT:

The live stream for Grand Traverse County Board of Commissioners meetings has moved from YouTube to our own Grand Traverse County-TV (GTC-TV) site.

The switch to GTC-TV will provide a platform for future enhancements such as closed captioning, transcription services, and more. GTC-TV also allows county departments to have their own “channel” to showcase their staff and services.

These future enhancements will increase the accessibility of meetings and information regarding county services.
